

Borough of Chambersburg

*A full service municipality in Franklin County
celebrating over 65 years of consumer owned natural gas service
over 100 years of community electric and a
regional wastewater, water, and municipal solid waste utility*

Landfill Use Policy

Attn: Borough of Chambersburg Residents, and Contractors that Collect Yard Waste and other Similar Material

As mandated by State Law, the Borough of Chambersburg must recycle. To help in the recycling of grass, brush, trees and leaves, the Borough landfill will be opened under the following conditions:

- Open ONLY to Borough of Chambersburg residents, and also to contractors who have signed the Landfill Use Agreement
- Material allowed to be dumped is grass, brush, trees and leaves – ONLY
- All material should be de-bagged; bags are not a permitted material
- All other materials are considered trash and are NOT allowed
- Illegal dumpers will be prosecuted to the full extent of the law
- The landfill will be open Monday through Saturday 7:30 AM to 3:30 PM

In order to become a permitted contractor, contractors must sign a Landfill Use Agreement. A payment of \$250 per quarter, paid in advance, is required. The Landfill Use Agreement may be picked up at City hall or printed out on this website under the "Documents" tab.

(A "contractor", for purposes of this agreement, is someone who wishes to dump yard waste at the landfill that is not from their own personal property, but who accumulated the material as part of their business activities.)

The Borough of Chambersburg landfill is located off of Hollywell Avenue adjacent to the Wastewater Plant. If you have any questions about dumping at the Borough of Chambersburg landfill, please call Dave Finch, Assistant Borough Manager/Director of Public Works, at 261-3200.
